3.20-4.30pm

Tuesday

Mr Blair's Y1/Y2 Outdoor
Fun Club 3.15-4pm

Wednesday

Y3 –6 Theatre Club 4-6pm

Dear Parents,

It has been a very mixed month—with deluges of rain and baking hot sunshine. We have tried our best to keep the children cool and comfortable this week. The forecast is indicating a cooler week next week, so back to proper uniform please.

Although it has been extremely warm, the relaxed clothing, the frequent reminders to drink that all staff have been doing, the breaks in the shade outside as well as reduced physical activity at lunch times has enabled children to just about cope with the tremendous heat.

Thank you for ensuring that everyone has had a water bottle, hats and suntan cream, which has really helped too. Looks like it's back to the normal summer weather next week, which will actually be a relief!

SPORTS DAY

It has been so difficult this year to try to organise our sports day. The extreme weather conditions have meant that we have been watching the weather forecast for several weeks to try to get a day to hold it. We have come to the conclusion that we need to get it done next week or else we are in danger of running out of time and there are several events planned for the last few weeks that we don't want to cancel just to hold a sports day. Therefore, we are going to go ahead on Monday. We will hold the non-competitive games in the morning and the races in the afternoon as usual. As indicted last week, the doors at the main office will open at 12:45pm for parents who are able to come along to join us.

Although FoSP intended to provide cream teas for parents, it may be too short notice now for them to do this, but I'm sure they will try their best to do what they can. Simon will be providing ice—lollies for the children.

We will let parents know first thing on Monday morning if rain or sun prevents us from running the afternoon session, but we have everything crossed in the hope we can finally run the event. We thank you for your patience as I know that several parents have booked the time off work to attend and so several cancellations must have been frustrating. However, this has not been easy for us either and quite frustrating for everyone, particularly Mrs Towe who has it all to organise.

Please remember to continue to send your child with a water bottle, sun hat and applied sun cream for the event.— thank you.

ATTENDANCE

The local authority attendance officer is coming to school next Wednesday. The Local authority have access to all of our attendance data, and we are questioned when they notice patterns of absences or high levels of student absence/late arrivals. We have always been a school with a very good, above the national average level of attendance, but sadly this has not been the case this past year which has been shown in our recent DFE report which shows we have dropped down this year to a lower level. I will update parents after the visit.

LOWTHER CASTLE TRIP—Class 1 and Class 2

Both classes are looking forward to their summer trip to Lowther.

Children will need :-

Rucksack

P.T.O.

Packed lunch (unless on school packed lunch)
Raincoat (not warm, and easily placed into bag)
Trainers
Sun hat
Sun cream
Snack

PE kit type clothing, suitable for running around in

Expected weather conditions: A little **rain in the morning**, then **mostly cloudy** for the rest of the day. It should feel much cooler than the hot weather expected in the days beforehand, so a **light waterproof jacket** would be a good idea.

DALLAM SPORTS EVENT —Class 4 on Wednesday afternoon will be going to Dallam School to take part in sports Don't forget water bottles!

BREAK THE RULES DAY— Friday

I'm sure the children are really looking forward to Friday when they will have the opportunity to break some of our rules!

Kind regards.

S Edmondson

Head Teacher
