Dear Parents,

MUSCLE MATTERS—Thursday 9th July

What a fantastic afternoon we had at our Muscle Matter Colour Mission! The whole school came together for an afternoon full of colourful fun while supporting such an important cause.

It was wonderful to see our children embracing the challenge with resilience, encouragement and determination, cheering one another on every step of the way. The smiles, laughter and incredible team spirit made the event a huge success and we are so proud of everyone who took part.

A huge thank you to Mrs Towe and FOSP for organising the event and to all our families and supporters who have already donated. It's not too late to contribute! We would love to reach our fundraising target of £1000 so if you haven't had chance to donate yet, every contribution big or small, will make a real difference.

Thank you for helping us support this wonderful cause!

"I really enjoyed the Colour dash because everyone got involved and were raising money for a charity I know very well. All the different activities were very fun and I enjoyed the whole afternoon"
Barney

"The Colour Dash was really fun and I got covered with paint! The part I loved is where I was able to run around the track and go on all the paint stations. It was such a brilliant afternoon!"
Evie
