Dear Parents,

We have seen some lovely autumnal days this week so tomorrow we will hopefully have good enough weather for our grounds day. The children have actually really enjoyed collecting up all the leaves from the playground to make of huge leaf pile at the back of the school field. We have some very helpful children!

We will be open from 10am until 1pm and there will be some refreshments for our workers. Thank you to all those who have volunteered to give us a hand. Unfortunately, if you haven't let us know that you are coming along, then we can't provide any food as we have only enough for the numbers we were given yesterday. Please note that children must be accompanied by an adult.

REMEMBRANCE DAY— Next week we will be focusing on Remembrance. Children have been buying poppies and other items in aid of the British Legion this week. Thank you for all your donations. We will continue to sell these next week too if any child has missed out this week.

Our collective worship on Monday will be focusing on the reasons why we continue to remember those who give their lives to keeping others safe. The children across school have been decorating wooden discs with poppies which Sharon in preschool kindly organised for us and she is varnishing them all over the weekend. In our Wednesday class worship we will be hanging these in our little garden on the fence in remembrance of those who have been injured or lost their lives in war. On Thursday at 11am we will be holding a minutes' silence.

CHILDREN IN NEED—We are still holding the collection for Children in Need which has been organised by Pupil Council. They have requested each team to collect as much loose change as they can bring in to fill up their House containers. You may find your child looking for any odd pennies lying around- it is all going to a good cause, but we are making sure that the children know that they must always ask before bringing any money from home. Children are able to come in their pyjamas on Friday 13th. Children are likely to need some warm clothing under their PJ's unless they are the warm winter type or onesies. Donations of £1 would be welcome and will be added to the whole collection we donate to the charity.

THIS WEEK'S HEADTEACHER'S AWARD HAS BEEN PRESENTED TO:

THE PUPILS COUNCIL

FOR ORGANISING A SCHOOL FUNDRAISER SO WELL

ROCKSTAR DAY—On Monday 23rd November, the children are invited to dress up as rockstars to celebrate this years 're-launch' of the Times Table Rockstars programme. During the day we will have an assembly, where the children will be able to model their costumes and there will be prizes for the best ones. Class4 will be helping the younger children to get themselves set up on the programme. There will also be a 'Battle of the Bands' competition where the whole school will compete in their house teams.
We look forward to seeing them all in their wigs, glitter, denim leather and bandannas!

NATIVITY 2026- This years performance will be 'Wise Guys!'
As usual we need to limit each performance to **80 tickets** both for safety and to ensure we have enough room to set up the stage etc. So we will limit orders to 2x tickets per performance in the first instance and ask that if you are able to make a daytime performance please do so, so that those working during the daytime do not miss out with the evening performance. **Booking forms have been sent home today (additional are available from the office). Please return these to the school office with the correct monies in a clearly labelled envelope. Tickets will then be sent home with your child. The money raised will go towards updating costumes for the children.**
